Clallam Transit System

Employer-sponsored Transit Pass Program

Clallam Transit System has established an employer-sponsored transit pass program to promote the use of public transit services in Clallam County worksites. You can help to:

- Reduce traffic congestion and the excessive need for employee parking;
- Improve air quality;
- Encourage healthy active living; and
- Reduce the reliance on the single-occupant vehicle and fossil fuels.

Clallam Transit System has authorized an incentive of a match of up to \$5 of an employer's "one-for-one" contribution for each monthly transit pass purchased.
